Forecast for Wednesday 28 Jun 2023

Weather: Cloudy with bases lowering and some rain and drizzle. Chance of some brightness for a time Wednesday morning near some coasts. Cloud thickening with rather heavy rain for a time in afternoon, spreading from the west. Drier and brighter later in the evening. Windy across higher summits and exposed ridges.

Chance of cloud-free hill tops above 800m: 20% or less for much of the day then becoming 70% during the evening as cloud thins and breaks.

Low Cloud and visibility: Broken to overcast bases around 300m for much of the day, then lifting during evening close to highest summits. Visibility mostly moderate or poor and very poor in cloud, becoming good later in the day.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

A rather wet and breezy Wednesday across the park making long walks rather unpleasant for the untrained. Very poor visibilities likely across the hills, so good navigation skills are also likely to be required.

Forecast for Thursday 29 Jun 2023

Weather: A much drier and brighter day on Thursday with cloud covering highest summits at first soon lifting and breaking. Chance of a few showers across the Park, but some coasts will remain dry with sunny spells. Showers might become organised in lines.

Maximum wind: West or Northwest with gusts 25 mph across summits.

Chance of cloud-free hill tops above 800m: 50% to start the day in the early hours becoming 90% after dawn.

Low Cloud and visibility: Broken bases around 700m lifting and breaking to 900m during Thursday morning, after dawn. Visibility mainly good or very good through the day.

Temperature: **Valleys:** Plus 8 degrees Celsius rising to plus 18 degrees Celsius in afternoon.
At 800m: Plus 6 degrees Celsius rising to plus 11 degrees Celsius in afternoon.
Freezing level: Well above summits.

Sunday	Winds look set to remain westerly or southwesterly with bright or sunny spells and some passing showers. Gusts approaching 40 mph across summits and ridges.
